## PRESS RELEASE

22 April, 2022; Mumbai

**analytica Anacon India and India Lab Expo unanimously appreciated by the exhibitors & visitors as a successful event.**

**analytica Anacon India and India Lab Expo** attracted 3,999 visitors at Bombay Exhibition Centre, Mumbai, giving much cheer to the laboratory equipment & analytical sector that was looking for an ideal platform to bridge them with business opportunities post the pandemic. The knowledge sessions complemented the busy show floor via interactive sessions curated to bridge the communities with information, market insights and opportunities.

Coming back to Mumbai after 2 years, analytica Anacon India & India Lab Expo hosted 81 exhibitors showcasing their solutions and innovations to 3,999 visitors over 2 days of vibrant face to face interactions.

“The success of this year’s event underlines the importance of analytica Anacon India and India Lab Expo in helping to transform of the Indian laboratory-, analysis-, biotechnology- and diagnostics industry into a more commerce driven industry” Said Bhupinder Singh, CEO of Messe Muenchen India.

Amit Sehgal, Managing Director, Avantor Performance Materials India said: “There has been a huge entry of visitors, much more than anticipated and many have expressed interest towards our products on display. This platform has helped us meet our old clients and introduced us to a lot of new clients.”

### **Thought provoking supporting program**

The industry not only exchanged information at the booths, but also at the high-class supporting program. The topics were tailored to the market requirements.

### **Excellent networking platforms**

Key buyers engaged in close to 350+ face to face meetings as part of the Buyer-Seller program running alongside the trade fairs. Exhibitors, decision makers and VIPs directly networked and interacted with clients and other industry delegates from international and domestic markets and discussed new equipment, technologies, and solutions. Notable brands such as SANOFI, Macleods Pharmaceuticals, Cipla Ltd, Lupin as well as Alkem Laboratories were part of the forum.

### **Hyderabad it is for September 2022**

The dynamism in the sector underlined with new and emerging technologies and trends offers enough reasons to look forward to the next edition, to be held at **HITEX Exhibition Centre, Hyderabad**, from September 15 to 17, 2022.

The pleasing result of analytica Anacon India and India Lab Expo in Mumbai highlights that the industry looks forward to personal meetings again. This trend is also evident at analytica in Munich (June 21 to 24, 2022), for which all market leaders have again registered.
